MD ILHAM ANSARI

S T U D E N T

PROFILE

I have always been a dedicated student towards studying and I am very passionate about my goal in life. I am pursuing BTech in Information Technology Department and I want to be a web developer (focusing mainly on frontend development).

I love to contribute in open source. I have participated in various hackathons and currently I am eagerly waiting for hacktober. I believe that there's no end to learning.
#keeplearning #keepgrowing
